Members of staff are allocated to each house with one member of staff acting as house leader. At the beginning of the year a house captain will be elected for each house. House points are awarded in Monday's assembly for pupils who achieve Headteacher award certificates or earn over 470 shillings in the previous week. House points can also be gained in raffles, house competitions or used as an extra incentive at any other time. Please inform the front office so that any points earned can be added to the weekly total.

A house day will be organised on the final Wednesday of each half term. The winning house will be rewarded with a special day out. Activities for the other houses will be organised by house leaders.

## Unacceptable Behaviour

In order to maintain a positive ethos and provide opportunities for children to make wise choices about their behaviour we use a number of positive redirection strategies to provide the least intrusive approach to managing behaviour. These strategies may include:

- Non-verbal signs/signals/gestures
- Giving attention to others
- Moving close
- Using when.....then direction
- Reminder of sanctions
- Reminder of expectations
- Providing choices
- Using humour with caution

## Sanctions

If our positive redirection strategies fail we will need to sanction unacceptable behaviour. Children need to learn that their actions can lead to consequences. Sanctions we employ are based on a hierarchy. After we have given the child verbal warnings the following steps may need to be followed. Certain behaviours automatically enter the hierarchy at a particular level. It is important to remember that we know our pupils and endeavour for them to achieve success and find positive ways forward. Some sanctions will work for certain children and some will not.....We need to find the one that works. It may be appropriate to allow pupils to earn time off.

(failing to comply with the above, fighting, kicking, spitting, and throwing objects at people)
- 20 minute thinking time
